mystery moves over the water
morning mist over the water
mist moved like mystery over the water
mystery moves like the mist of morning
morning moves over the water
mystery of morning rising
mist rising
mist rising
morning mist rising
rising
over the water

dawn once more again
comes like a bird song psalm again
through leaves that green
with light's cascade again
wake wonderful
marvel morning
marvel morning
marvel morning
wake wonderful
marvel morning

the osprey soars from the rampike roost
the kingfisher chatters over the bay
the heron lifts its wings in flight
the whitethroat carols the day

wake wonderful
marvel morning
morning
morning
